Ashfield-cum-Thorpe, Charsfield with Debach  
Cretingham, Dallinhoo, Earl Soham,  
Hoo, Letheringham and Monewden

July 2019

### *From The Curate*

Dear Friends,

I cannot believe it is a year since I was writing in this magazine just before being ordained as a Deacon. I have been busy with exciting new challenges and studies including meeting with Bishops Martin and Mike, courses on enhancing pastoral ministry, doctrine, ethics, developing disciples, canon law and others. These courses will continue for another year after being priested.

Once again I will be going on retreat at Leiston Abbey for four days before being priested at the Cathedral on 29<sup>th</sup> June at 3.30pm. Many of you will not see much difference on the ground apart from the way I will be wearing the clerical scarf! But as a priest in addition to my other duties I will be able to preside at Holy Communion, conduct weddings, give blessings and exercise a full sacramental ministry.

On 4<sup>th</sup> August I will preside at my first Holy Communion at the benefice service at Monewden. This will be at the later time of 11am and there will be a buffet lunch after the service in the village hall to celebrate. Please come along, all are invited.

After the ordination I will still be a curate to this benefice, I look forward to a long and happy ministry. May I ask you all to pray for all us ordinands on 29<sup>th</sup> June, and in our new role as priests.

My aim will be to continue to follow the instructions in Colossians Ch4 vs2-6: "Devote yourselves to prayer, being watchful and thankful. And pray for us too, that God may open a door for our message, so that we may proclaim the mystery of Christ, for which I am in chains. Pray that I may proclaim it clearly, as I should. Be wise in the way you react towards outsiders; make the most of every opportunity. Let your conversation be always full of grace, seasoned with salt, so that you may know how to answer to everyone."

Love and prayers from your Curate, Kathleen

### **A MESSAGE FROM DEREK.....**

As you will all know by now I decided to hang up my cassock and retire from the Ministry Team a couple of months ago and during that time I have been touched by the cards I have received and the words of encouragement that you have expressed.

You might remember I am a great believer in the concept of 'time' and 'place' and after 30 years working in local churches in this area and the previous 20 years working as part of the Scout Association in London, Babs (the wind beneath my wings) and I came to the decision that the time to step back had arrived and to let others take the helm so to speak.

As you might imagine these decisions are always difficult and in every sense of the word this decision has been a leap of faith, not knowing what the future might hold, but wherever we end up, and whatever we do in the future, we are sure that God will have had a hand in it somewhere.

I will always carry with me many happy memories of my time in the Mid Loes Benefice, and I know that perhaps you are all a bit too close to the action to fully see the difference you make but let me just say "please don't stop being you"

It only remains for both Babs and I to thank you all for your good wishes and kind thoughts and to wish you all every success in living the word and supporting one another in the day to day problems life might present you with and in keeping the Christ alive in Mid Loes.

May God bless you and keep you close.

Derek Alway

## EARL SOHAM COMMUNITY PRIMARY SCHOOL

### School Children Act on Climate Change

I am sure you have all become aware of the young lady Greta Thunberg and the school strikes that have been taking place around the world to raise awareness of the Climate Crisis that is happening. It has not gone unnoticed by the pupils of Earl Soham Primary either and their Spring term topic on rainforests made them realize even more the importance of these natural resources not just as homes to some of the world's most amazing fauna and flora but also as key contributors to a balanced climate.

Therefore, having spent several weeks of being inspired by these temperate forests to produce wonderful written pieces, learn some incredible statistics for maths, create their own rainforest environments and stunning artwork, it seemed only fair to give something back.

As striking would have to have been a movement initiated by the children and permitted by the parents, a member of staff suggested we opt for a more supportive stance and hold our own Support Greta and the Planet day. The children and parents were only too happy to get behind the movement and sent in old t-shirts for the children to upcycle with slogans raising awareness of the Climate Crisis. For the past few weeks, every Friday has been a Support Greta and the Planet Day with an addition of fundraising to enable the school to raise enough money to help the rainforests through the World Land trust. We are happy to say that we have already raised enough money to buy a quarter of an acre of rainforest and will be contacting the WLT to find out more.

### Coffee Morning and our Big Raffle

Many thanks to all our helpers, those who donated so generously and to everyone who came and spent their hard-earned cash at the Hill Farm Coffee Morning on 17 May. Again it was a most happy occasion, catching up with friends and neighbours over coffee, tea and delicious cakes. Takings were up this year at a very creditable £534.50, for which we are very grateful.

Similarly, the Big Raffle at Charfest on 1 June did very well too, raising £148.50, once the usual percentage was paid to the Recreation Ground. Again our thanks to those who donated, those who came and spent so generously and to Stephen for drawing the tickets.

Together the two fund-raising activities raised £683.00 for the Church Fabric Fund – an ever-increasing but essential and worthwhile investment for our village. Thank you all.

### International Weekend – Napoleon & Josephine's home in Paris

16 members and partners spent a great weekend as guests of Rotary Le Vesinet, Paris, along with 3 other partner clubs from across Europe. As usual, the weekend was a mixture of discussion, sharing of ideas, and great fun. We celebrated the life and times of Napoleon and Josephine, including a visit to their intimate home at Château de Malmaison. A fancy-dress dinner saw many dressed in "Empire" and "Regency" costumes – including our incoming President, who of course had to dress as the Duke of Wellington...

### **Religious music is everywhere**

An astonishing fact about our secular age is that “religious music is absolutely everywhere, all the time.” So says Ivan Hewitt, former presenter of BBC Radio 3’s *Music Matters*.

Hewitt believes that there is some significance in this. He wrote recently: “I would say it shows that in a stressful age, people have developed a need for music that quietens the mind, offers a haven from the hurry and noise of everyday life, and unlocks a passage to our deeper selves. Despite the decline of organised religions, there is still a vast, inchoate sense in the population at large that there is more to life than getting and spending.... Religious music gives us access to that realm, without the commitments of organised religion.” \*

### JULY JOKE FROM MARGARET

A minister was searching for something in his wife's wardrobe one day when he came across a small wooden box, tucked away, in a remote corner. When he opened the lid he was surprised to find nearly £200 in cash and two eggs. Curious he took the box to his wife.

"Oh!" she smiled awkwardly when she saw the box, "I thought you'd find that someday."

When he asked for an explanation, she replied, "Well, whenever you preach a bad sermon, I place an egg in this box."

The pastor looked at the two eggs in the box and thought to himself, "Twenty years of preaching and only two eggs - that's not bad!"

Then he asked "But what about the £200?"

She explained "Whenever I collect a dozen eggs, I sell them and put the money in the box."

### Does your holiday villa even exist?

Beware when booking your holiday online – it may be a complete fraud. Fraudsters fleeced people out of their holidays for more than £7million last year, according to Action Fraud. Many cases involve upmarket villas which are either completely fictitious or are being offered without the owner's knowledge (which means you can admire it from the outside when you get there, but you have no access.) Villas in Spain and France are destinations commonly affected. Action Fraud urges you to count the online reviews beside the property. If there are only a small number, beware.

## Content from Dr Dan Poulter, MP

In recent weeks, it's fair to say that public concern about climate change continues to grow and regardless of the merits, or otherwise, of school strikes and mass city protests, the voices being raised reflect the growing concern and sense of urgency for the need to tackle this critical issue.

Since I was first elected in 2010, I have consistently worked to raise issues around climate change, serving as Vice Chair of the Energy and Climate Change Select Committee, until it was reconfigured in 2017. With the heightened public call for Government to do more in tackling climate change, I would hope that my own track record speaks for itself on this matter.

I remain committed to raising issues relevant to climate change with Government and in the House of Commons and Westminster Hall Chambers. I have contributed to a number of debates on related issues over the last year or so alone, including the diesel vehicle scrappage scheme and the electric and hybrid market, Dieter Helm's Energy Review, looking at reducing carbon footprint and producing cleaner, greener energy, and debates on geothermal energy and regulation of heat networks. I have also consistently submitted Parliamentary Questions on this vitally important topic.

In recognising the need to rise to the challenge of tackling climate change, it is also important to take stock and recognise our achievements so far. The UK leads the G7 in terms of reducing our carbon emissions – we have cut our emissions per unit of national income on average by 3.7% per year, well ahead of the EU average of 2.3% and the G7 average of 2.2%. The last time the UK's emissions were this low was in 1888.

Our achievements in cutting emissions from our electricity generation particularly stand out. More than half of the UK's electricity was generated from low-carbon sources last year, the highest ever share, while we achieved a record 90 hours of continuous coal-free generation over the recent Easter weekend. Our renewable energy capacity has quadrupled since 2010 and the UK has the largest installed offshore wind capacity in the world thanks to our sustained investment in this crucial technology.

Whilst these are undoubtedly great achievements, there remains much to be done and we have already signalled that we want to be more ambitious, both in our actions and in driving concerted global efforts. Climate change is too broad a challenge for this Government to tackle alone - it is a global problem to which the solution will be a global commitment. It is a matter of supreme importance and one on which I will continue to take every opportunity to make the case and press for action.

## *ASHFIELD NOTES*

### NEWS FROM THE PARISH COUNCIL.

At its recent meeting Ashfield-cum-Thorpe Parish Council received news of the locations for the speed activated signs in the village. There are now to be three sites [posts] one each when approaching from either end of the village, the third post will be placed centrally and be able to be used to monitor vehicle speeds from either direction. The application is now with SCC Highways and will hopefully be rolled out quite soon.

The defibrillator has been ordered and payment of the invoice for this was agreed at the same meeting. Once the device is received it is going to be installed on the wall just outside the door into the Village Hall. More details will be sent out to parishioners once it is up and running although hopefully the need to use it will be minimal.

### PETERTIDE ORDINATIONS.

On 29th June [St Peter's Day] the Cathedral at Bury St Edmunds is full for the ordination of new priests and deacons. This time around no less than two of those being done will come from our own benefice Revd. Rebecca Artiss from Ashfield who will be officiating in the Four Rivers Benefice [Monk Soham up to Laxfield] and Revd. Kathleen Martin from Monewden who will officiate in our own benefice of Mid-Loes. All of the candidates have worked very hard over the last 2-3 years to reach this point. On behalf of everyone in Ashfield I would like to wish them both well in their future ministry.

### CYCLE RIDE 2019.

The annual churches cycle ride takes place on Saturday 14th September this year. If anyone is able to cycle for Ashfield Church or sit in the church to welcome visiting cyclists please let me know.

## CITIZENS ADVICE – HERE TO HELP!

Leiston Citizens Advice gives free advice, help and support to hundreds of people throughout East Suffolk every year. We advise across a wide range of issues including benefits, debt and money, employment, housing, consumer problems, utility issues, relationships and family problems.

On an everyday basis our advisers help clients make and manage benefit applications, including Universal Credit, and advise on benefit appeals. We support and help clients through managing and dealing with their debts, and we guide clients through the issues they face when relationships break down, or they face separation or divorce. We are there to help in emergencies when people become homeless, are escaping abuse or have nothing to eat. We are also the first point of contact for people who have a consumer problem, for example, with repairs or something they have bought.

The majority of Citizens Advice advisers are trained volunteers. In our East Suffolk Leiston office volunteers have the back up of a small group of paid staff - a manager, two supervisors and a dedicated money advice specialist and assistant.

Our main office is in Leiston and we hold outreach sessions in Woodbridge, Saxmundham, Aldeburgh, Wickham Market, Alderton and Framlingham. We work from GP surgeries, libraries, children's centres and community centres in an effort to reach isolated communities and address poor public transport in the rural areas of Suffolk.

Anyone who needs to contact us can drop in – no appointment necessary. Our Leiston office is open on Mondays, Tuesdays, Thursdays and Fridays between 10am and 2pm. Our outreach offices are open at different times throughout the week – for information phone 01728 832193 or check [www.leistoncab.org](http://www.leistoncab.org) for venues and times.

Finally, a word about Citizens Advice volunteers. Citizens Advice is always looking for new volunteers, including to help with fundraising. If there is anyone in the parish who would like to talk to us about volunteering – there are a range of roles available – please be in touch with our Manager, Martin Jones, at [bu-reau@leistoncab.cabnet.org.uk](mailto:bu-reau@leistoncab.cabnet.org.uk) or give him a call on 01728-832193.
