September 2019

From The Rector

Dear friends

“Back to School” say the signs in the clothes shops from the middle of August onwards. I don’t suppose that’s necessarily what children want to see when they’re enjoying their summer holiday. “It always comes round”, I can remember my father saying to me as a child with the return fast approaching and family fishing days coming to an end. (We spent many afternoons during his annual fortnight off work picnicking by the Thames and diligently watching our floats for signs of a bite). I gather that these days children get bored by the end of August and are actually looking forward to returning to school. I can’t remember ever feeling like that. I can only guess that boredom thresholds have lowered considerably over the years. I was never really averse to school, but I certainly don’t recall ever being bored in the holidays - not while I had a bike, a football, and other children living nearby. But enough nostalgia! For those still engaged in the world of education, September does signal the beginning of a new year, with new classes, new things to be taught and learned and perhaps new people and new unknown experiences. It is all immensely formative for young people, and experiences of school or higher education, whether good or not so good, will remain in our memories for the rest of our lives. It is because education is so important and can, at its best, be life-enhancing, that the Church was there at the beginning, making it available for all. Education and religion at their best have a great deal in common. They are both concerned with the quest for truth and the fulfilment of the individual because they value the child. Indeed, Christians will see the child as of infinite value, created in the image of God. And of course that is something we never lose, however old we are, and we must see it in the eyes of everyone who inhabits this planet.

Best wishes
Stephen

Holiday Club

Once again our holiday club is over, gone in a flash but 3 days of laughter and fun and learning. We had 20 children between the ages of 5 and 11 with a group of helpers from 14 to 18 and our leaders Mary, Jackie and Jo. It was good to have others coming in and out at various times helping with all that was going on. Margaret and Anne supplied some very important tuck to keep us all going and once again Margaret kept her camera busy. What a great team. We traveled through Switzerland France and Italy learning a little about the food, customs and countryside and thought about how Jesus traveled in the last week of his life.

The sun shone for us until the last hour or so which did some damage to the wonderful vehicles that had been made for the journeys, but fun had been had in the construction. It was great that a group were able to join us in Cretingham for our final service and they were all looking forward to meeting up again next year. A big thank you to all who were involved in any way and to all the children who joined with us for the three days of fun. See you next year.

Dear All

Christopher McArthur and I are writing to all interested villagers to find out if you would still like our Brandeston Film Club to continue on the second Friday in the month, in Brandeston Village Hall.

We are fully aware that there is a Community Cinema in Framingham/Wickham Market and that the nearby town of Woodbridge has an excellent cinema of its own. You can also get the latest films out on Netflix etc. However, the idea of our Film Club is to share some great films on a large screen/excellent sound system, have a catch up with friends and neighbours and enjoy refreshments as there is always an interval! Our seats are comfortable and padded, the screen is large and the pictures are sharp with a new projector!

We show the big well-known recent releases, foreign and local films and involve the audience in our yearly selections.

Due to the new regulations and licensing laws, the way that the Brandeston Film Club has been run for many years is changing. It is likely that future membership of the Brandeston Film Club would be £5 per year with a ticket on the door being £5 for members and £6.00 for visitors/guests.

From our records, there are many people in the surrounding villages that enjoy coming along, as well as the people of Brandeston, and that is still to be much encouraged.

Would you be kind enough to let me know if you would like to continue with membership or join us.

Ultimately our future will need improved membership, as currently we have marginal support for continuation.

Please reply to my email address/home address or phone numbers, by the end of September.

Kind regards

SPEED INDICATOR for CRETINGHAM.

You will be aware that the Parish Council are proposing to apply for permission to install a Speed Indicator Device to remind drivers of the 30mph limit throughout the built-up part of the village (see item elsewhere in this magazine).

It is important that the six pairs of main 30mph signs and the smaller repeaters are clearly visible to drivers – a good number of them are obscured by overgrown hedges, etc.

ARE YOU WILLING to join a working party to spend just an hour one Saturday morning ensuring that the signs are all visible? I'm suggesting the 7th of September and that we meet at The Bell car park armed with secateurs, clippers, loppers, etc.

Please let me know if you can support this initiative. Thank you

citizens advice Leiston, Saxmundham & District

Being at home in Suffolk over the summer months makes me appreciate all that is good about our county, but due to its rural nature, we can often take for granted that work that goes on here to keep us safe in our communities. But this is not to say that crime does not feature here in Suffolk – I would like to commend the outstanding work going on around the clock with our dedicated team of Police Officers, PCSOs and those working tirelessly behind the scenes to combat the scourge of crime and indeed, online crime. Along with my fellow Suffolk MPs, I meet regularly with our Police and Crime Commissioner to hear about advances in the service, the achievements of Suffolk Constabulary and also to find out what more we, as Suffolk MPs, can do to help support our fantastic Constabulary.

Perhaps number one on our Police and Crime Commissioner’s request list is more and fairer funding for Suffolk’s Police. That’s why I am delighted to welcome our new Prime Minister – Boris Johnson’s pledge to invest in recruiting 20,000 new police officers across the country. People want to see more officers in their neighbourhoods, protecting the public and cutting crime.

Suffolk remains a wonderful county in which to live and do business, and a safe place to visit, but we do need to work together to tackle crime effectively.

There are a great many dedicated people working tirelessly in our public services and in our communities to help discourage our young people from a life of violence and crime. But they can't do this alone. Together, our Police, Councils and communities in Suffolk share a collective responsibility, along with Government, to stop violent crime - that's why I am delighted with the Government’s announcement to urgently boost policing numbers to help us to tackle the scourge of knife crime head on, as well as other criminal activity.

But let’s be clear - crime of any nature is a blight on our communities, intimidating those who live and work in the area, and affecting quality of life. Our Prime Minister has been clear the he fully supports the Police’s use of “Stop and Search” to tackle and disrupt those carrying knives and I am therefore especially pleased that as part of its ongoing work to tackle serious violence, the Government will also urgently review a pilot, which makes it simpler for officers to use stop and search powers, with a view to rolling this out across all Constabularies at the earliest opportunity.

Brandeston, Cretingham and Monewden Tennis Club

You are warmly invited to join up to the Brandeston, Cretingham and Monewden Tennis Club - a great way to improve your game, have fun and keep fit.

Although the court is open to all, we do think it is important to have a proper tennis club so that members can book the court to fit into their schedules and also enjoy a regular club night.

The tennis club is open to anyone living in Brandeston, Cretingham or Monewden, so please do forward this email to friends, family in these villages who might be interested.

The cost is £25 per household for a 12 month subscription.

This will run from 1st September 2019 - 31st August 2020 - but will be valid as soon as payment is received, so if you sign up now you will get August this year free.

By becoming a member you then have the right to book the court. We will issue each household with a laminated booking ticket that you need to display when you playing and have prebooked the court. To book the court you just need to fill in a booking sheet which are kept in the

Noticeboard down by the court you just need to display when you are playing and have prebooked the court. To book the court you just need to fill in a booking sheet which are kept in the noticeboard down by the court. You can sign up 2-3 weeks in advance.

This year we are also introducing a regular **Club Night**. This will be on Thursdays from 5-9pm and the aim is to encourage people to turn up and play with the other members, swap tennis partners or just socialise.

We do hope that you will support the tennis club - all subs go towards the up-keep and maintenance of the court - and the new Club Night should be great for meeting and playing with different people.

To sign up you can either pay via bank transfer to the Tennis Club account:

Account Number 73136949

Sort Code 20-98-07

Please use your surname as reference and also send me an email at Kathy.churchill@Keme.co.uk with your address so we can drop off the membership pack.

Or drop off a cheque made payable to **Brandeston Village Hall and Playing Field Tennis Court** in a clearly marked envelope with your details and address to me, Kathy at Brook Lodge, Kettleburgh IP13 7JU or drop it in to the Queen.

HARVEST FESTIVAL

Harvest festival in Hoo church will be 15 September at 6.30pm, everyone welcome to come along and 'plough the fields and scatter' with us.

CRETINGHAM, MONEWDEN AND HOO PARISH COUNCIL.

Next meeting – Thursday 12th September
at 7.30pm in Monewden Village Hall

SPEED INDICATOR for CRETINGHAM – one of the matters for discussion and decision at the next Parish Council meeting will be the installation of a Speed Indicator Device (SID) in Cretingham.

A proposal is prepared which, subject to the meeting's decision, will be submitted to Suffolk CC Highways. In brief – four sites are proposed for the sign, two of them bi-directional. The battery-operated sign will shuttle between these locations on a programme to be agreed with the volunteer team. The sign flashes the vehicle's speed as well as a "smiley" or "fierce" face. It also records the time and speed of every vehicle that passes (but not the number-plate).

The Parish Council meetings are open to residents of the three villages and you are welcome to attend to express your views on this, or other agenda matters. The agenda will be posted 7 days prior to the meeting on our website:
