Note From Your Curate

At the time of writing sadly we are entering another time of restrictions due to increasing levels of coronavirus. With schools and universities opening and most getting back to work we are all feeling extremely anxious about our families and friends. With the help of all our prayers we will see this through.

I would like to thank all of you who are keeping our churches safe with extra cleaning and sanitizing, I know this is creating a lot of extra work, but I think it is important for our churches to be open some of the time even if only for the occasional Sunday. Some of our churches are now open for private prayer, so anybody who wants a quiet time for prayer and reflection please come in, everybody is welcome.

We will try to continue to maintain our level of services at the moment with the ministry team, who are myself, Revd. Wendy Gourlay, Mary Vellacott, Jo Read and Amber Pearce-Wright. Please contact your churchwardens or the ministry team if you need help or advice. We are well supported by Revd. Graham Hedger who has oversight of this benefice, as well as his own.

I hope I will be able to meet up with many of you as I can in the near future. In the meantime I will leave you with this prayer

Lord God,

We pray for you guidance and blessing as we strive to work together more closely during the coming months.

May we seek to know your will as we move forward together in faith.

Let us respond to your love with worship and joy, offering our own particular gifts to you, and using them, in thankfulness, in your service

Make us inclusive and welcoming, supportive, patient and caring, sharing each other's happiness as well as tears.

As we encircle one another with prayer and encouragement, we pray that we may grow and live together in your love.

Amen

Love and prayers, Kathleen

ST MARYS CHURCH

Our parish church is there for everyone and we would like to invite you to the Annual Meeting on Monday October 26th at 7.30 pm in the Church.

It is actually two meetings, the first part purely to elect up to two churchwardens. Everyone in the parish may vote on this. The second meeting follows immediately after and its purpose is to present the various reports concerning the life of the church and to elect the PCC and sides people. There is an opportunity to ask questions.

Please do come and support your parish church. Because of Coronavirus restrictions, this meeting has been delayed from the usual date in April. Please remember we will need to comply with social distancing requirements and to wear face coverings.

EARL SOHAM 100 CLUB *coffee morning and draw.*

Due to COVID 19 & government restrictions we are unable to do the draw in the Village Hall, the draw will still take place & we will notify all concerned. Hope you understand the position. All concerned will receive an annual statement & Draw numbers.

Thank you, keep safe, Richard Tinkler.

"The Countryside About Us"

Many of you will recall the monthly article I contributed to this magazine between 1990 to 2010. Indeed it is not unusual for someone to mention it to me even now saying how much it was enjoyed. I don't think it is generally known that they are being repeated on a monthly basis, 20 years in retrospect, on the Earl Soham website under "The Countryside Remembered".

If you would like to read some of them again, that is where they are. www.earlsoham.org / **Village History** / **The Countryside Remembered**.

A New Term

On the 3rd of September our school re-opened to all children. The start of a new school year is always a big event in the children's lives as they change year group and start new classes. For some it is their very first day in school and it was wonderful to see our new reception children arrive.

This year has been very different and for some children it is their first time in school since March. They have all settled in well and the new routines have readily been accepted. Staff and pupils alike have greatly enjoyed the opportunity to catch up with each other and exchange stories and news. We have certainly had a good start.

The future is always uncertain but this year it seems much more so. Whatever happens I know that we will do all that we possibly can to support our children and keep them learning.

Keep safe

Charsfield Primary School News

We are pleased to welcome back all of our pupils after the summer holidays. Staff have worked extremely hard to prepare the school ready for the children's return, and to ensure that everyone had a smooth start back at school in what has been a challenging and very unusual year.

Class 1 (Reception, Year 1 and 2) has been transformed into a castle (complete with dungeon and castle kitchen) for their topic this term. We have been delighted to welcome our new Reception group to the school (our Knights and Princesses group), who have settled brilliantly into school life. We look forward to working with them and their families during the coming years. In Class 2 (Year 3 and 4) the pupils are learning about the Vikings and Anglo Saxons and pupils in Class 3 (Year 5 and 6) are delving into life in the Second World War.

Although things are slightly different, the children have quickly adapted to the new "normal" of washing hands and being in their separate groups. Our children have really missed school, their friends, teachers and learning! Comments made on the first two days were: "I don't want to go home as I've really liked learning at school today" and "Thanks for a fantastic first day back, I really enjoyed it!"

Our focus this year will of course be on learning, but we are also making wellbeing and mental health a priority too. One thing that we have invested in is our Forest School sessions that every child in the school takes part in. The idea of Forest Schools is to help children build resilience and self-esteem through hands on learning experiences in a woodland or outdoor area. We are very fortunate that at our school we have spacious, beautiful grounds with a dedicated nature area.

To find out more about our school, please do take a look at our website www.charsfieldprimaryschool.org.uk which is always being updated with the fantastic work we do. For anyone looking for school provision in the area, we are holding two open mornings for prospective parents on Thursday 22nd October and Tuesday 10th November, please see our website for more details.

Taskforce Morning Sat 24th October at 10am – St Mary's church maintenance – note in your diary & come!

St Mary's repairs shortfall – can you help?

Like most charities we have had to cancel many fund-raising events due to the Coronavirus crisis and this has caused a short-fall in our repair funds for St Mary's. We still need to raise a further £25,000 to complete the repairs.

After several years of successful fund-raising and grant applications, however, we reached three quarters of our target figure, enough to start the next stage of the repair programme in October. This will enable us to make the building water tight and sound but not to complete the internal repairs and redecoration.

To finish the repairs, we are launching an appeal and hope that you will help to secure our 1,000-year-old church for future generations.

So please visit our JustGiving page:

<https://www.justgiving.com/campaign/dallinghoochurch>

to donate to our fund or even explore JustGiving to find your own imaginative fund-raising activity.

DR DAN POULTER MP

Member of Parliament for Central Suffolk and North Ipswich

As Parliament returned earlier this month, we continue to live in uncertain times and this summer has certainly been very different. One of the things which I have missed the most is being out and about and meeting so many members of the local community at the annual village fetes and community events.

Since the onset of the COVID-19 pandemic, a great many of our businesses have been impacted – across all sectors. With the hospitality industry being greatly impacted, I've been especially impressed to see so many examples of businesses adapting and innovating to offer new services supporting our rural communities. For example, during the forced closures of lockdown, a number of pubs across Central Suffolk and North Ipswich have adapted to offer pop-up grocery stores or take away dining.

These pop-up shops and take away dining outlets proved incredibly popular with local residents, meaning that they didn't have to venture too far from home to shop locally and source top quality, local ingredients. Now that lockdown has eased, many of those businesses who had adapted are continuing to offer the add-on services and customers are continuing to support them, valuing the important contribution they make to the local community.

As we've come out of lockdown, businesses and consumers have readjusted and early signs of economic recovery are encouraging. Our towns and villages are at last seeing increased footfall and sales are slowly beginning to recover. Although many consumers are still being cautious, our businesses have gone to great lengths to ensure they are COVID-19 secure, giving consumers confidence that they can shop safely.

That said, it is important to remember that the virus has sadly not gone away, and we all have a part to play in stopping the spread of the virus whilst also supporting our local economy. Good hand hygiene is particularly important; when out and about, if you can't easily wash your hands, remember to take along an anti-bacterial hand sanitiser and wear a face covering when indoors. Keeping at least 2 metres apart from people who are not from your own household helps to protect you and others and reduce the spread of the virus.

In closing, I would like to put on record my thanks to all of those who have worked tirelessly during these recent months – our teachers, frontline public sector workers, NHS staff and community carers, along with the army of volunteers who stepped in to help deliver food or prescriptions and looking out for others.

ASHFIELD NOTES

SHCT CYCLE RIDE.

Despite all the uncertainty this annual event was able to go ahead on 12th September. Ashfield Church was open and manned to welcome visiting cyclists, we had nine which is above average. Whilst on site to welcome visitors I spent sometime clearing overgrown vegetation in the south-west corner of the churchyard. Ashfield Church benefited from a very generous grant given by SHCT when we carried out major roof repairs a decade or more ago so it is only right that we support their main fundraising activity.

VESTRY AND ANNUAL CHURCH MEETINGS 2020.

The Vestry and Annual Parochial Church Meetings would under normal circumstances have taken place before the end of April. For obvious reasons that was not possible this year. They will now take place on **SUNDAY 18TH OCTOBER** at about **7PM**. [after Evening Prayer so the start time may be slightly later]. All Ashfield residents who are on the civil electoral roll may attend the Vestry Meeting to elect the Churchwardens. The APCM is open only to those on the Church Electoral Roll. Formal notices for both will be posted on the church door ahead of the meetings.

HOO NOTES

GET WELL SOON & THANK YOU

David Doe is in Hospital in Hospital , we send David all our best wishes and love for a speedy recovery and love also to Margaret at this very busy time.

Thank you to everyone helping with Hoo church while I am taking a back seat.

Perry Branton

Since Perry sent in this item I am pleased to report that David had his operation and is now recovering at home. Unfortunately, during this time Margaret suffered a stroke and is now herself in Ipswich Hospital. Our love and prayers are with you both and we wish you a speedy recovery. (Editor)

Before Margaret was taken ill she had sent me a little giggle as usual , I hope she is not feeling this way in Hospital

Hospital Update

A 75 year old lady rang her local hospital with a polite enquiry. "Please could you give me some information on one of your patients? She is Mrs Tiptree in Ward 3. She was admitted last week with chest pains and I just want to know if her condition has deteriorated, stabilised or improved?"

The nurse on the ward checked the notes. " I'm pleased to say that Mrs Tiptree's condition has improved. She has regained her appetite, her temperature has steadied and after some routine checks tonight, she should be well enough to go home tomorrow."

"Oh that's wonderful news, I'm so happy, thank you ever so much!"

"You seem very relieved, are you a close friend or relative?"

"No, I'm Mrs Tiptree. Nobody tells me anything in here!"
