July 2021

Note From Your Curate

Well, at last my training as a priest is finally finished. I was signed off from my training by Bishop Mike on 24th May. That doesn't mean I have finished studying because there is always more to learn from the ongoing courses which are available. My title now is Associate Priest, but in practice that will make no difference to what I am doing, I remain a Curate to the Mid Loes Benefice. I would like to take this opportunity to thank all the church wardens, PCC members and congregations for all their support throughout my training.

It is very pleasing to hear from the parishes that fetes and other fund raising and social events are now being planned again to give us the confidence to rebuild our community spirit, which is so important to village life. I will try to attend as many as I can so that I can meet up with more people in the Benefice. Let's hope and pray that we will see a greater sense of normality in the coming months.

As you will have seen in last month's magazine the editor has moved to Cornwall, so we are looking for a new editor. Alison has been the editor for many years and we are very grateful for the work she has put into the magazine to make it an interesting and informative read. It is an essential way of keeping all our villages up to date with what is happening both within the church and other organisations. If you think you might like to take over from Alison please contact her or me.

Prayers and Blessings, Kathleen

Prayer for the month

Lord our God,
we thank you for your love and care towards us.

When the way is dark and life is hard
help us to believe in you and not be afraid.

Let us trust in your power and your love
and know that you are our Saviour

Amen

TAIZÉ WORSHIP

Returning for another summer, these quiet, reflective services of singing, prayer and silence are based locally but open to everyone across the Loes Deanery. The first service will be held in All Saints Church, Easton – 4th July at 4pm.

Under the leadership of the Rev'd Wendy Gourlay we launched these monthly services in 2019, continuing online during 2020.

The services last for around 45 minutes and are a mixture of simple worship chants in the Taizé tradition, silence, prayers and readings. For those who like simplicity in worship and perhaps something slightly different this could be just for you!

First Sunday of the month at 4 pm in Easton Church –
4th July, 1st August, 5th September and 3rd October.

Education- A lifelong experience

Over recent weeks and during the half term break a friend of mine has been teaching me about sailing. I have picked up some terminology and finally found a use for the knots I learnt to tie when I was a scout. I still have a lot to learn but that is the joy of trying something new.

At school we always encourage the children to try new things and build upon the knowledge that they already have. Most importantly we endeavour to instil a love of learning that will last a lifetime. Such a love of learning will give them the chance to grasp any opportunities that come their way be it career linked or taking up a new hobby. Who knows, maybe some of them will even take up sailing.

DR DAN POULTER MP

Member of Parliament for Central Suffolk and North Ipswich

A few years ago, working with other Suffolk MPs, I helped lead the successful campaign to gain over £30 million of Government funding for faster broadband for Suffolk. The Better Broadband for Suffolk programme has already made significant inroads into ensuring superfast broadband is available across the county, but there still remains some way to go in achieving 100% coverage.

On a regular basis, I still receive letters, emails and phone calls from residents and small businesses owners asking for my help with poor broadband speeds. The need for better and more reliable broadband is important for every business, school and home in our area which is why achieving better broadband for all remains one of my top priorities as your MP.

Although there is much to celebrate so far, I remain concerned about the effect that poor or no broadband is having on those areas being left behind, particularly for those residents and businesses in the “not spots” that make up the remaining and final areas yet to benefit from better broadband speeds and reliability.

Superfast broadband is no longer a “luxury add-on” service, but for many people, it is now a vital utility in the same way as heating and power. It is essential deliver growth and investment into Suffolk’s local economy, not to mention providing reliable access for young people at school and university. With public services like the health service constantly looking for new and better ways to deliver care to patients, fast and reliable digital connectivity is absolutely essential.

The Government has recently pledged to deliver full fibre broadband across the UK and whilst this is welcome news, it is my opinion that much more has to be done to level up the digital divide here in Central Suffolk and North Ipswich. Our local businesses, students, farmers, public services and health settings all depend upon a fast and reliable broadband service – for accessing their customers, studies, service users or patients, but also for making the most of agri-tech equipment relied upon by our local farmers.

As we emerge from the pandemic, it is absolutely critical that our local businesses get all the help they need, and better broadband is essential. I am greatly encouraged by the Government’s commitment to deliver better broadband for all and I will continue to do all that I can to ensure that Suffolk remain firmly at the front of the queue.

ASHFIELD NOTES

ST MARY'S CHURCH.

I am delighted to be able to tell you that our Curate Revd Kathleen Martin has now completed her formal training period and is now our Associate Priest. Kathleen is hoping that with her training finished she may have more time to devote to pastoral work in the benefice. You may see her around the parish or if you have a particular need that you would like to discuss with her how to contact her is at the front of this magazine.

You will notice that the pattern of services in Ashfield has changed this month with our third Sunday in the month evening service of Holy Communion being replaced by a Holy Communion service at 8.30am also on the third Sunday. This has come about as the result of feedback from our regular congregation and others. We hope that this change may facilitate more people being able to join us.

RG.

ASHFIELD PARISH COUNCIL.

A brief meeting of the Parish Council took place in the church on 9th June to primarily discuss a recently received planning application.

The next scheduled meeting is set for the 8th September. In the meantime should you have any issue or concern of a parochial nature please do not hesitate to speak to any Councillor or contact the Clerk whose details can be found in the back of this magazine.

On behalf of the Parish Council I should like to record our thanks to Cllr Paul Whayman who will by the time you receive this magazine be settling into a new home over at Haughley. Paul worked on a number of projects for the PC for which we are very grateful! We wish Paul and Margii every happiness for the future

Robert Grimsey.

ASHFIELD FOOTPATHS.

With the gradual relaxation of lock down rules and the ability to go places again it is probable that folk will be doing less walking on footpaths. Nevertheless the routes should remain accessible. Should you come across anything untoward whilst out on the Ashfield footpath network do please let either Malcolm Pease or myself know so that remedial action can be taken.

Magazine Editor

On behalf of all Cretingham readers Heather and I extend our grateful thanks to Alison for her sterling work as Magazine Editor over the past several years. Like all Editors Alison works away behind the scenes and perhaps only hears from us readers when a typo or mistaken date appears in the magazine. But they are a rarity and are far outweighed by the hours of carefully collating the articles from the eight parishes, providing puzzles for the children and ensuring we have a source of reliable and interesting information about our Benefice. We wish Alison and Kalam all the very best with their move to the west country – bon voyage!

Alister

Hugging Is

Hugging is healthy. It helps the immune system, cures depression, reduces stress and induces sleep. It's invigorating, rejuvenating and has no unpleasant side effects. Hugging is nothing less than a miracle drug. Hugging is all natural. It is organic, naturally sweet, no artificial ingredients, non-polluting, environmentally friendly and 100% wholesome.

Hugging is the ideal gift. Great for any occasion, fun to give and receive, shows you care, comes with its own wrapping and, of course, fully returnable.

Hugging is practically perfect. No batteries to wear out, inflation-proof, non-fattening, no monthly payments, theft-proof and non-taxable. Hugging is an underutilized resource with magical powers. When we open our hearts and our arms, we encourage others to do the same.

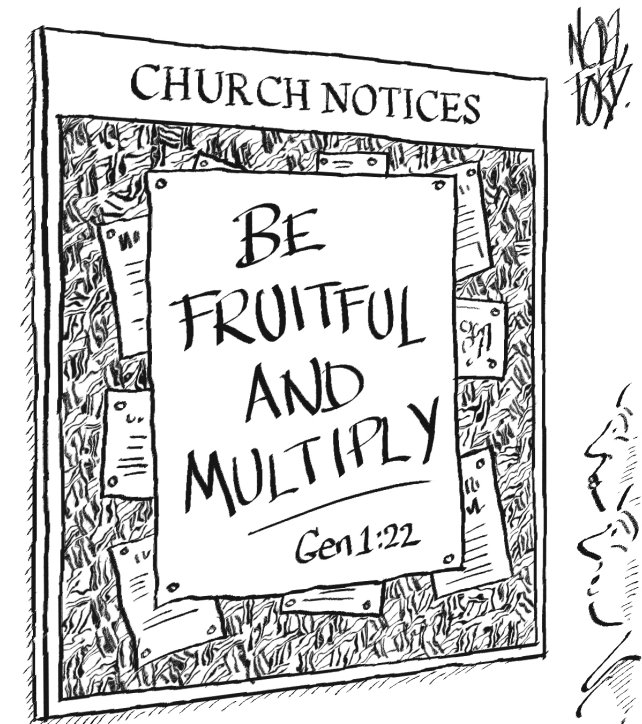

Think of the people in your life. Are there any words you'd like to say? Are there any hugs you want to share? Are you waiting and hoping someone else will ask first?

Please don't wait! Initiate! (Especially now we can!)
