

MID LOES BENEFICE

Ashfield-cum-Thorpe, Charsfield with Debach
Cretingham, Dallinghoo, Earl Soham,
Hoo, Letheringham and Monewden

September 2021

Note From Your Curate

In the last two weeks I have had the pleasure of attending three events in the benefice. All three were extremely well organized and very well attended. It was a joy to see so many people together and clearly enjoying the opportunity to get together to support their churches and communities. Please continue to check the magazine for future events.

The season of harvest festivals is upon us. It is the chance to see the produce of our farms and gardens decorating the churches and to give God thanks for providing us with such a bountiful harvest, and now that we can sing again, to sing God's praises. There is nothing quite like the sight and smell of the church decorated with fruit and vegetables, it is one of my favourite times of the year.

We must not take harvest times, as we have always known them, for granted. There can now be no doubt that we are seeing the effects of global warming all around the world, with extreme heat, flooding, drought and wildfires, all of which have been caused by the activities of man since industrialization. It is now up to us all to do something, however small and insignificant it may seem, if we are to protect God's creation for future generations to enjoy.

From Genesis Chapter 8 verse 22,

"As long as the earth endures, seedtime and harvest, cold and heat, summer and winter, day and night will never cease."

Prayers and blessings, Kathleen

Prayer for the month

All good gifts around us
are sent from heav'n above,
then thank the Lord,
O thank the Lord,
for all his love.
Amen

TAIZÉ WORSHIP

These quiet, reflective services of singing, prayer and silence are based locally but open to everyone across the Loes Deanery.

Under the leadership of the Rev'd Wendy Gourlay we launched these monthly services in 2019, continuing online during 2020.

The services last for around 45 minutes and are a mixture of simple worship chants in the Taizé tradition, silence, prayers and readings. For those who like simplicity in worship and perhaps something slightly different this could be just for you!

First Sunday of the month at 4 pm in Easton Church –

5th September and 3rd October.

Mid week Morning Prayer

I will be continuing with a said Morning Prayer service twice a month, moving around the Benefice. The next will be at Cretingham on 15th September at 10am and then at Dallinhoo on 29th September at 10am. With an opportunity to have a chat and a coffee after the service

Kathleen

SATURDAY 7TH AUGUST

Fun and Games on the Green

Earl Soham Fete with a difference!

It didn't turn out quite how we planned it and not entirely as we would have liked - who would have thought when we were getting soaked in the morning that at 2.30 the sun would be shining and loads of people would be sitting at the tables enjoying chatting, eating, drinking. In the morning it felt as if we were putting out far too many tables and chairs, but lo and behold, they were all full most of the time! And it would have been better if it hadn't rained at 4.30 so that we and the gazebos got soaked again but it could have been so much worse.

However it was an afternoon of fun and enjoyment and I would like to thank everyone who helped in whatever form, planning, setting up gazebos and tables, manning a stall or game or coming to support us on the afternoon and in particular I would like to thank the following local businesses for supporting us

Suffolk Historic Churches Ride and Stride

Saturday 11 September 2021 9.00 am – 5.00 pm

The annual bike ride is going ahead with the freedom to get fit and enjoy our beautiful countryside!

Sponsorship forms are available from me and in the church.

Last year despite all a huge amount was raised, so let's see if we can do even better this year.

It would be great to have some of the young cyclists in the village jump on their bikes for us. Go on – you know you can!

DR DAN POULTER MP

Member of Parliament for Central Suffolk and North Ipswich

As I sit to write this month’s article, it seems apposite to reflect upon how the COVID-19 pandemic has changed all of our lives and no one would doubt that it has been an incredibly difficult and challenging time for all of us, but it has also brought us together. Here in Suffolk we have a proud track record of coming together in our communities to help those in need and to support each other, so I would personally like to thank all of you for your efforts and resilience during this difficult time.

As we now begin to look forward, I am hopeful that we are now coming through the worst and I am looking forward to meeting as many of you as possible in person once again over the coming weeks and months. I’m especially looking forward to getting out and about to enjoy the range of local events that are starting to pop up, not to mention stocking up on our fabulous local produce.

I am particularly enthusiastic about the marvellous food and drink offering we have here and my weekends at home in Suffolk are often spent at local markets and events. I always buy my food and drink locally, where I can, to support our local businesses wherever possible.

It never ceases to amaze me the sheer diversity that we have right here on our door step – from locally produced cheeses and meats, to cordials, cider, beer and wine, and sauces, preserves and pickles, all grown, packaged and produced so creatively right in Suffolk. The success of these businesses is vital to our strong rural economy and I think we all have a part to play in ensuring that we think local and buy local whenever we can. There is so much great work going on here already to educate our children and young people on the importance of not only eating well – a healthy and balanced diet, but also eating locally and seasonally. This is vitally important in reducing the number of miles our food travels before it reaches our plate and of course, fresh produce that’s in season always tastes so much better.

With the harvest season upon us, it’s vital that we all continue to do our best to buy local and support local produce. I am a great supporter of our local farmers and regularly meet with the NFU and the farming community. I will continue to do my very best to support our hardworking farmers here in Suffolk and wish them all a fruitful and plentiful harvest.

YOUR RECREATION GROUND NEEDS YOU! New committee members needed

The development and maintenance of Charsfield Recreation Ground is managed by a small team of dedicated volunteers and some of these have been involved for 20 years. Due to this, in the next year several key members of the team will be stepping down to make way for new people, new ideas and new energy. Hopefully, members of the community who use the ground regularly and have a vested interest in its longevity.

The "rec" provides a great amenity for Charsfield and Debach and is enjoyed by many visitors from surrounding villages and this is an exciting opportunity for new people to continue to develop this wonderful facility.

Sadly, unless additional people are prepared to step up and volunteer the rec will have to be decommissioned in 2022.

The present members are: Jo Wyatt, John Fox, Jan Pedgrift, Sarah Turner, Antony Wilson, Pat Long, Graham Pettingale, and Gerry Smith

If you or any of your friends would like to join the committee to keep this facility alive for the village, then please have a chat with any of the members or get in touch with:

ASHFIELD NOTES

POP UP BBQ.

I am writing this having just returned from a most enjoyable BBQ organised by Ashfield Community Council. It was advertised as 'weather dependent' as the village hall doesn't have a floor at present, we were blessed with warm at times hazy sunshine and a gentle breeze. This was the first event to be held in the parish since lockdown and a goodly number of residents ventured out to enjoy beer from Earl Soham Brewery [that didn't last long!], wine or soft drinks along with hot dogs and burgers from the BBQ. Those present included long term residents, newcomers, some fresh faces who have lived in the village for sometime and not previously been involved along with some visitors and former residents. For many this was the first opportunity to be sociable since before all the Covid19 restrictions and judging by the numbers present and the fact that most people spent the whole afternoon together it was a much enjoyed occasion. On behalf of all those who attended I would like to thank the Community Council for putting it on for us.

Several people were seen peering into the floorless village hall and we look forward to it being back into use in the not too distant future. My thanks to the VH committee for all their efforts in making this happen!

PARISH COUNCIL MEETING 8TH SEPTEMBER.

The next scheduled meeting of the Parish Council will take place on Wednesday 8th September at 7.30pm. This meeting will be held in the church because the village hall will still be out of action. Whilst there is a 'Public Forum' for residents to raise issues at the beginning of each meeting it would be helpful for the Council to have prior knowledge of topics to be discussed so that any necessary preparations can be made. Please contact the Clerk [details at back of this mag] to register the matter/s you wish to raise. Items brought up at the meeting that require more information may need to be held over until a future meeting.

SUFFOLK HISTORIC CHURCHES TRUST CYCLE RIDE 2021.

The annual church cycle ride will take place on Saturday 11th September between the hours of 9am and 5pm. St Mary's will be open to welcome visiting cyclists. If anyone is able to spend an hour or two sitting in the church to register cyclists please let me know. For those who are more energetic and fancy riding around the local churches there are sponsorship forms on the table at the back of the church or available from myself.

VISITING CYCLISTS SATURDAY 25TH SEPTEMBER.

Long before it was known that the village hall would be out of action a long distance cycling event [Audax] was scheduled to visit Ashfield as a rest/break stop. Because publicity for this had already been published it has been agreed that the venue will move across the road to the church. The exact details with regards to timings etc are yet to be confirmed. As with previous visiting cycle events we will be looking to provide refreshments. If you are able to provide a cake/biscuits etc or would like to help with feeding the visitors please let Kath Burton or myself know. More details will be circulated via the village email nearer the time. Thank you in anticipation of your support.

ST MARY'S CHURCH, VANDALISM.

Further to my report last month and further undesirable visits I can confirm that we have engaged with Suffolk Police. Upon their advice parts of the churchyard are now covered by movement activated cameras. Whilst since their installation we have not recorded any sightings of concern it is interesting just how many people do visit and enjoy the place for the purpose that it is intended! If anyone does see suspicious activity in or around the church or churchyard do please let Jane Davidson or myself know. Thank you.

RG.

Two pieces of **WONDERFUL NEWS !!**

Firstly a huge **THANK YOU** to everyone who helped, manned stalls, ran races, provided prizes, cakes or came along to the Summer Fete Event on Oak Corner – a joint event put on by the Cretingham Village Committee and PCC. We were so blessed with wonderful weather, a chance to listen and enjoy the Ipswich Community Wind Band, delight in a cuppa and delicious homemade cake, browse the stalls and enter competitions. So lovely to hear the sound of children giggling and having fun with the races and ending with a very competitive Tug of War!

A really uplifting afternoon which raised an amazing total of £1,600 – so a massive **THANK YOU** again.

That chilled out feeling continued into the evening with many friends and villagers popping over to The Cretingham Bell to be entertained by a fantastic Jazz Musician provided by the Village Committee and PCC as part of the event.

Our second piece of news – if you haven't heard already is that **St. Peters Church is now OPEN FULLY 7 days a week.** A quiet place to catch your thoughts whenever it is needed.

Help raise funds for your local church by taking part in Suffolk Historic Churches Sponsored Cycle Ride

Suffolk Historic Churches Ride and Stride

It's not too late to join in with this! The annual cycles ride will be on 11 September this year. This is a great opportunity to (re)discover the Suffolk countryside while raising money for a worthwhile cause. Half of the money raised is directed to your nominated church and the remainder is used by the Historic Churches Trust for grants to churches requiring major repairs. We were fortunate in being awarded a significant grant from the Trust for the recent work on the church.

We are also looking for volunteers to sign the sheets of those visiting Dallinghoo church. Sponsorship forms are available in the porch of the church – and also from Andy Sullivan (07866311237).

We'd like to encourage some of our younger residents to take part – this is a great introduction to road cycling as there are so many bikes on the local roads through the day and there is a warm welcome at each of the churches along the route. This year we thought a group cycle on a short route round the local churches – around 5 miles- might be quite fun. If you're interested, please let Andy know as you collect your sponsorship form..

Harvest Festival and village lunch September 19th

In a break with tradition, we have brought the Harvest Festival Service forward a month. This will be a Family Service suitable for all ages at 11am, followed by a bring and share lunch at the Jubilee Hall, starting at 12 for 12.30 if you're not able to attend the church service.

After the challenges of the past year we look forward to marking the end of summer and the harvest with you all.

An in depth tour of St Mary's, Dallinghoo, led by an expert

The Dallinghoo Church Repair Fund

Registered Charity 803135

Friday 3rd
September 2021

This is a chance to hear, Roy Tricker, the celebrated speaker on churches. In particular, he is an expert on Suffolk's churches and in 2018 was awarded the British Empire Medal for his services to heritage in Suffolk.

Beginning at 6:00 pm, the occasion will include a talk and tour of the church led by the man himself. This will conclude at about 7:30 with a glass of wine or a soft drink and nibbles. Cost: £5.00 apiece; children under 16 free. Tickets in aid of further repairs from Jeremy Quinlan: JeremyQ@tiscali.co.uk, 01473 737700 or The Old Rectory, Dallinghoo IP13 0LA.

An enthralled church-crawler since the age of four, he spends his time sharing his passion for these amazing buildings, praising and promoting them from lectern and pulpit. He gives many lectures and slide shows, has written over 200 church guidebooks, published other books and has broadcast on radio and TV. He is sure the love of churches is absorbing and infectious for people of all religions and of none. Also, that every old church is the most interesting in the country, because each has its own unique characteristics, well worth getting to know and love. His delightful, enthusiastic and well researched talks inspire his audiences.

We have recently spent more than £100,000 repairing the outside of the church. Come and see what we have done.

We were unable to raise enough to repair the inside. Come and see what we shall be doing next - and what else we should like to be able to do.

WINE TASTING: It is the intention of the Church Appeal Committee to hold this event, which is usually held on the last Friday of November, but at the moment it is not clear what form it will take. We would all hope that by the end of November we will be free of nearly all restrictions, however it is not guaranteed that this will be the case, so we will have to wait and see. More details for the wine tasting will appear in due course.

HOO NOTES

Our Cycle Treasure Hunt & Afternoon Tea on Saturday 14 August was a great success although there were many more people chatting & eating cake than cycling!

Those that searched for the clues on the treasure hunt really enjoyed the challenge.

The weather was lovely & the visitors were able to sit outside on benches in the peace of the churchyard.
