**Note From Your Curate**

All our Christmas celebrations are now done and dusted and we can all look forward and make plans for the new year. A lot of the medical profession and scientists are now telling us that the threat from the Covid 19 pandemic is reducing, so I am pleased to be able to wish you all a happy and more normal new year.

I was reminded recently about Plough Sunday which was on 9<sup>th</sup> January, this is something which we have celebrated in some of our churches in the past, but this year slipped by unnoticed, by me anyway. I must try harder! Plough Sunday is the first celebration in the agricultural year and involves prayers for the blessing of the land. The celebration traditionally includes bringing a ploughshare or a plough (a horse drawn one, not a modern monster) into the church, and sometimes a tractor parade. Plough Sunday is seen as a way of generally celebrating farming and gardening and the work of those involved.

Other agricultural/church celebrations include Rogation Sunday, Lammas or Loaf Mass and Harvest Festival. Rogation Sunday falls in May, and involves blessing the growing crops. Lammas is the first Sunday in August, which is August 1<sup>st</sup> this year. Lammas is a celebration of the first fruits of harvest, and the custom is to bring to church a loaf made from the new crop. And of course all of our churches in the benefice celebrate Harvest Festival in the Autumn to thank God for the bounteous harvest of the farms, the gardens and the sea. Prayers and Blessings, Kathleen

**Prayer for the February**

Lord God, we rejoice in your love  
for us and for all people.

May we learn to reveal your love  
in our dealings with others

and so help to bring them to know and love you  
Amen.

**World Day of Prayer 2022**

This year we should be able to meet in a physical way on Friday 4<sup>th</sup> March at St Mary's Church, Earl Soham at 7.30pm. This year's service has been composed by the women of England, Wales and Northern Ireland.

We look forward to joining with you in this special service of reflection and thanksgiving.

Refreshments will be served after the service

## Earl Soham Christmas Crib Service 2021

We had a wonderful Christmas Eve Crib Service and would like to thank everyone who joined us and made it such a joyous and memorable occasion! I found it to be a very moving event as we prepared for our Christmas celebrations this year: with families, with friends and as a community.

A very special thank you goes to all the team who helped with costumes, sound, lighting and setting-up the stage- your hard work is very much appreciated. Also, many thanks to Naomi for playing the keyboard to accompany our singing.

However, without the children and their families' support, there would not be a Crib – so a major well-done and a huge CONGRATULATIONS to all the cast, their families and supporters!

Many thanks and looking forward to Crib 2022!

Jo Reed

## News from Earl Soham Community Primary School

At the end of the 2021, we said a sad goodbye to two long-serving senior leaders.

Peter Lambillion-Jameson is retiring having been Headteacher at the school since 2014. He was much loved by staff, parents and pupils alike, and it was very touching to hear the children share some of their favourite memories of him at his leaving assembly in December. We wish him a very happy retirement.

Alison Bowman is stepping down as Chair of Governors, a role she has fulfilled since 2004. She has guided the school and four successive headteachers expertly through all the highs and lows that are the nature of the education system. We thank her for the enormous amount of voluntary effort she has devoted to the school over that time.

We are delighted to welcome Jen Carlyle as our new Headteacher. At the same time, Sally Connolly and myself have taken over as co-Chairs of Governors. Along with the rest of the governors, we will work to ensure a smooth transition to the new head, and the continued success of the school.

Patrick Goymer  
Co-Chair of Governors

## Earl Soham Christmas Crib 2022

This wonderful and much-loved village tradition has been taking place at St Mary's Church on Christmas Eve for almost 70 years and we are enormously keen for it to continue into the future. However, there is a real need now for new volunteers to come forward and help with setting up and dismantling the staging. Without these volunteers, the Crib cannot take place so please do offer any support you feel able to offer for this year's Crib.

The Kindred family would like to thank Charsfield Parish Council in organising a collection for the late Cyril Kindred.

A tree and a bench have been purchased after the collection.

We would also like to thank the many people from the surrounding villages who turned out at the tree planting ceremony on November 27th 2021, it was so good to see so many there on such a nasty wet afternoon.

Many thanks, Philip Kindred.

It was good to welcome so many to the village carol service despite ongoing concerns about Covid 19. The collection amounted to £110, which has been split between The Salvation Army and Tear-Fund. A big thank you to all who contributed.

Please note that there will be no Sing-along Supper in February. It has been decided to postpone the first meeting of 2022 until 4th March. Do come and join us then.

The speakers for our meeting on 14th February are Cliff and Rosemary Hoppitt and the subject - Argentine Tango.

### **News from Charsfield Primary School**

We have had a very busy term at Charsfield Primary School, and the staff and pupils have definitely earned a rest over the Christmas holidays!

Our younger pupils have been learning about different types of celebrations, why we have them and why they are important to people. The whole school learned about the festival of Diwali and made their own Diya lamps from clay. As a whole school we have been looking at the celebration of Christmas and the younger pupils have been learning and practising their nativity play ready to perform to an audience.

Our Year 3 and 4 pupils have been learning about the Romans, and had great fun writing and performing poems and stories about Pompeii! Pupils in Year 5 and 6 went to Gressenhall Farm and Workhouse to find out what it was like to be a poor Victorian – very unpleasant indeed! Pupils were able to use this valuable experience to write a diary from the point of view of a poor Victorian in the workhouse.

In November we learned all about the work of Children in Need and the pupils decided that they would like to raise money for the charity. We came up with the idea of making biscuits and selling them to parents and family members to raise some money. The biscuits were very tasty and we managed to raise an impressive £53.00. Well done to everyone!

As we do every November, the pupils learnt about Remembrance Day and we held our memorial event on the playground and sang the song "Remember." The pupils had made a lovely display of poppies and learnt about the history of why a poppy is used as a symbol of remembrance.

In early December, we were delighted to take the whole school to watch the pantomime of Jack and the Beanstalk at the Wolsey Theatre in Ipswich part funded by our PTA. The children and staff thoroughly enjoyed themselves and it was a wonderful experience for many of our pupils who had not visited a theatre or watched a pantomime before.

As the end of the term draws near, we are looking forward to our whole school Christmas lunch, parties, a special visitor and our carol service at the church.

If you are looking for schooling in the area and would like to visit our lovely school, please call the school office on 01473737347 to arrange an appointment. [www.charsfieldprimaryschool.org.uk](http://www.charsfieldprimaryschool.org.uk)  
Mrs Reeve – Head of School

January 2022

The success of the vaccine rollout has helped keep the Omicron variant at bay, and I am hopeful that we can begin looking forward to a happier and more prosperous 2022. However, the winter months are likely to be challenging for many, as once again, the UK is facing an energy price squeeze with home heating and energy bills set to rise.

There are two main reasons why the UK energy market is in crisis - both can be pinned on previous policy failures, but neither is directly related to the UK's push for renewables. The energy price spike is due to the UK's reliance on imported gas, not its reliance on renewables.

Gas accounts for about two fifths of UK energy consumption and, as the dominant source of home heating, effectively sets energy prices. Markets set the gas price and as Britain imports almost all of its gas, those markets are determined by global supply and demand. Additionally, UK nuclear capacity has dwindled, and coal is, for good reason, a dirty word. Britain's base load, in other words, the energy on which we can always rely, has become increasingly dependent on just-in-time supplies of liquid natural gas, imported into our homes via inter-connectors with the continent. This is not a strategy for long term energy security, and it needs to change.

Energy security is expensive, but I am pleased that the Government is finally getting on with the job of passing new laws to allow vital investment into new UK based carbon-neutral forms of electricity. This may result in a short term rise in bills but will pay dividends in the long run - investing now will improve our energy security and make us less vulnerable to energy price rises and volatility in the future.

The other policy failure results from the way in which the energy price cap is implemented. Many smaller energy suppliers are going out of business as they are forced to absorb price rises and cannot change prices for a six-month period. This reduces competition in the energy market and in the longer term, further increases prices for consumers. At the very least the Ofgem cap should be set every three months and I shall be doing all I can to make the case in Parliament for this important change in how the energy price cap operates.

As household bills rise again, the wrong decision would be to scrap environmental levies which only accounted for 23% of energy bills in August, compared with 34% for the wholesale electricity costs. It is the jump in these wholesale energy prices since August that has been the problem and not the green levies which provide an investment in keeping energy prices lower for consumers in the future.

Ultimately, changes in both how we produce as well as how we use energy are needed to meet the government's net zero targets and, just as importantly, to keep household energy prices down in the long term.

## Margaret Doe

Sadly Margaret died at home on 12<sup>th</sup> December. Although few of us have seen Margaret since her devastating stroke in September of 2020, she will always be fondly remembered by the people of Monewden with love and affection. Margaret would always go out of her way to have a chat with anyone, and she was always willing to help people out in any way she was able. Margaret was a valued supporter of Monewden church, and rarely missed the opportunity to bring Percy Mapperly along to our evensong services. Margaret was a great supporter of the village functions and will always be remembered for her addition to the entertainment at the harvest suppers here. Anyone who saw her sketches with Joan Rix will never forget their dry Suffolk humour of two old ladies chatting together. Rest in peace Margaret, you were one of a kind.

## ASHFIELD NOTES

### CHRIS WEBB RIP.

It is with sadness that we record the death of Chris Webb who until earlier in 2021 had for many years lived at Pear Tree Farm in the village. Chris and Gaynor had moved temporarily to Sweffling and it was their plan to convert a farm building adjacent to Pear Tree Farm and return to Ashfield. Earl Soham Church was packed for Chris's funeral service! We extend our deepest sympathies to Gaynor, the boys and extended family at this sad time.  
Robert.

### ASHFIELD PARISH COUNCIL.

The next scheduled meeting of Ashfield Parish Council will take place on Wednesday 9th March at 7.30pm in the Village Hall. Members of the general public are always welcome to attend and may raise matters for future discussion during the 'Public Forum' at the beginning of the meeting. Where possible it would be helpful if the Clerk [details at back of magazine] could be made aware of topics to be raised a week or so before the meeting as this enables the Council to gather information for its response, otherwise these may have to be carried over until a future meeting. We look forward to seeing you at our meetings.  
ASHFIELD PARISH COUNCIL

### ASHFIELD FOOTPATHS.

Over the Christmas/New Year period I got out onto some of the footpaths in the village and am pleased to say that I didn't encounter anything adverse in the way of obstructions. It goes without saying that at this time of year some routes, particularly crossfield paths will be heavy going [muddy]! We are fortunate that there are several good routes that can be taken with little if any crossfield elements. As always should you encounter any problems whilst out walking in Ashfield do please let either Malcolm Pease or myself know so the matters can be addressed and where necessary corrected.  
Robert Grimsey.

## ***HOO NOTES***

### **MARGARET DOE**

Margaret sadly passed away on 12 December 2021 and her funeral was held at Hoo Church on Christmas Eve. The tribute, by Margaret's good friend Peter Driver, and the address by Rev. Kathleen Martin, another close friend, both emphasised Margaret's kindness and warmth of character. These were qualities she brought in abundance to the position of churchwarden at Hoo, where she served for many years alongside Perry Branton. Hoo has always had a reputation in the Mid Loes benefice as a friendly and welcoming church, which was down to the attitude of Margaret and Perry.

In Peter Driver's words, Margaret was "a real, pure Suffolk lady" and "a very naturally funny person, who would always tell you something that would put a smile on your face". All of us who were lucky to count Margaret as a friend will agree with that. It was appropriate that the funeral was on Christmas Eve, with the church lovingly decorated as it would normally be for the Hoo carol service, as that service was one which Margaret so enjoyed. She always had some appropriate stories to read at the service, with a touch of humour and a message for the listener to take away with them. In the same vein, she included similar stories in this magazine for many years.

Peter also spoke in his tribute of Margaret's long and happy marriage to David, who sadly passed away only seven weeks before Margaret. "They were a lovely, modest, real pure Suffolk couple with no airs and graces".

Margaret wrote her own life story for family and friends, and ended with the words "remember me as you knew me". As I write these words, I can picture Margaret, at Hoo church, or the Saturday café at Monewden, with a smile on her face, telling a funny story, and radiating warmth and a good feeling. I am sure everyone who knew Margaret will have those same happy memories of her. Sleep well Margaret and rest in peace.

The East Anglian Daily Times published an excellent tribute to Margaret, with more memories from Peter Driver and Margaret's daughter, Janet. It can be accessed using the following link:

<https://www.eadt.co.uk/news/obituaries/remembering-margaret-doe-8586188>

We intend to hold a memorial event for Margaret in the summer, to celebrate her life and to mark her many years of service to Hoo church. More details will follow after the next PCC meeting.

### **Christmas Services**

Thanks to everyone who made the Carol Service so special: the church looked wonderful with the floral decorations; the organ music was fantastic and Mary Brown gave a thought provoking set of readings and thoughts that brought new insight to the old familiar stories. We are looking forward with hope to a more stable 2022 with much more opportunity for us to meet and enjoy the church fully.

### **Help needed**

Are you looking for a new challenge or to get more involved with village life? Now that the church building is repaired and fully open, there are lots of opportunities to join in to make a difference to the building. Some examples include assisting with flower arranging; churchyard maintenance; looking after the bookstall in the church porch and many more. Absolutely no experience is necessary – just a willingness to join in. ## Successful Dallinghoo fund-raising during Covid!

During lockdown last year when people could not meet up in crowded places, we searched for a new fund-raising venture for our Church Repair Fund. Last December, after a lot of thought, the Dallinghoo Charity Bake Club was born!

We delivered orders forms to every house in the village with a choice of delicious Christmas bakes to be ordered, paid in advance, baked to order and then, ten days later, hand delivered. This was such a success we repeated it for Valentine's Day and again this Christmas. So far, we are delighted to announce that the Bake Club has raised £1,400 for the Dallinghoo Church Repair Appeal which is an amazing achievement!

This has been a real team effort and thanks are due to many people who have designed, printed & delivered the order forms and bags of bakes. Most thanks of all are due to the wonderful bakers – Pauline Hedley, Jules Bell, Clare Johnson, Helen Allen and Tina & Tamzin Love who have bought all their own ingredients and worked with me in their own kitchens baking for hours on end. One baker didn't get to bed until 3am on the final day this time! Over the year we have baked 1,700 separate cakes and pastries both large and small.

I've received some lovely feedback from some grateful recipients of the bakes and so all in all, a job well done. Three of the orders this time were from people who had recently moved into the village, so on the delivery round I was also able to take the opportunity to welcome them to lovely Dallinghoo.

## LEATHERINGHAM NOTES

### Carols by Candle light 22<sup>nd</sup> December

We were delighted that despite, Covid restrictions masks and social distancing, our candlelit Carol Service was well attended on a fine December evening. With our thanks to those members of the congregation that undertook the gospel readings.

A special thanks to Andrew Gosden who led a small choir from St Mary Le Tower Ipswich, supported by Jim Robinson with solos by Kate Thompson and Vicky faull, the high standard of the choir was much appreciated by the congregation with a round of spontaneous applause at the end of the service.

We hope, as ever, that the service helped us all to recall the true message of Christmas and helped to lift everyone's spirits

Our thanks to Janet and Malcolm Ross who provided and served mulled wine and mince pies outside the church under cover, after the service.

Our thanks also to all those that provided the beautiful flowers and greenery that decorated the church that made this a special occasion and finally our thanks to Roger Pulham without his playing the organ there would have not been such beautiful singing in the choir.

The proceeds from the retiring collection were donated to the Salvation Army in Woodbridge to support their efforts in helping those in need locally.
