Ashfield-cum-Thorpe, Charsfield with Debach
Cretingham, Dallingham, Earl Soham,
Hoo, Letheringham and Monewden

May 2022

Note From Your Curate

After the bleakness of Lent it is always lovely to see the churches full of Spring flowers at Easter. Thankyou to all the flower arrangers who made an exceptional effort this year, the churches looked superb.

Easter is a time of new life and new beginnings. This Benefice is fortunate to be able to witness a number of new beginnings this year, especially the appointment of a new Priest in Charge, Rev Gary Best, who will moving here in May and will be licensed to this Benefice by Bishop Martin at Dallingham on May 18th. We are all looking forward to welcoming Gary.

Easter Sunday heralded new beginnings for five happy couples who had their Banns of Marriage read in our churches for the first time. After the restrictions due to Covid, it is lovely to welcome people back into our churches for weddings, after the limiting of numbers for the last two years.

There is a new beginning for two of our churches, Charsfield and Letheringham, who have new churchwardens. Thankyou Linda and Maggie for offering your skills.

I have, in recent weeks, felt a new beginning in the optimism within our churches, with normality returning to church communities and the gradual recovery of numbers who are returning to Sunday worship.

Prayers and blessings for new beginnings, Kathleen

Prayer for May

O God, you have made many things
from small beginnings.

In the seed you have hidden life and growth.

In us your kingdom is waiting to grow.

Lord God, may your kingdom come in us
as we do your will and seek to serve you.

We ask this through the power of our Lord Jesus
Christ.

Amen

Mid week Morning Prayer

I will be resuming a said Morning Prayer service twice a month, moving around the Benefice. The first of this year will be at Ashfield on Wednesday 11th May at 10am and then at Charsfield on Wednesday 25th May at 10am. With an opportunity to have a cup of coffee and a chat after the service.

Hope to see you there, Kathleen

ASHFIELD NOTES

ROGATION SUNDAY 22nd MAY.

This year's benefice service marking Rogation Sunday will take place at Ashfield Church on Sunday 22nd May at 4pm. After an act of worship which weather permitting will take place in the churchyard we will have tea together. Our newly licensed priest Revd Gary Best will be in attendance and is "looking forward to meeting people!"

Do feel free to join us at least for a cup of tea and to meet Revd Gary.

ANNUAL PARISH MEETINGS.

The Annual Parish Meeting and the Annual General Meeting of the Parish Council will both take place in the Village Hall on Wednesday 4th May starting at 7.30pm. The first meeting is where organisations within the parish along with elected representatives report on their activities, the second refers specifically to what the Parish Council has been up to. Residents are encouraged to attend. I look forward to seeing you there.

Robert Grimsey. Parish Council Chairman.

PLATINUM JUBILEE - CLEAN FOR THE QUEEN.

Those of you who listen to local radio or read the EADT will have seen that there is an initiative to spruce up Suffolk ahead of the Platinum Jubilee celebrations with litter picks etc. Thankfully generally speaking we do not have much of a litter problem compared to some places. Whilst I do not intend arranging anything specific please can I encourage everyone to pick up any litter they see whilst out and about in the village and on the footpath network. Should you encounter large/bulky items [fly tipping] either let a Parish Councillor know or report it directly on the Mid Suffolk District Council using their online reporting tool so that it can be removed. Thank you. Robert Grimsey.

GARDEN/ARBORETUM OPEN EVENING.

At the time of writing it is looking like the chestnuts will be blooming around mid-May and that is when I shall expect to hold an open evening or two to raise funds for Ashfield Church. Notice will be sent out on the Ashfield email nearer the time. As well as the chestnuts the garden will be open including a 'new' garden I have created over the last couple of years. If you are not on the Ashfield email system please let me have your expressions of interest and I will let you know what is happening via email; robert@rwgrimsey.co.uk

Just before the covid pandemic struck, a young woman who introduced herself as a vegan angrily demanded of me why the Government was not taking action to ban meat and dairy products.

Veganism has now penetrated the mainstream and it's easy to forget that barely a decade ago, it was a fringe movement. I welcome the fact that this has changed, but let's get one thing straight. It's entirely natural for humans to eat meat. As a species, we evolved eating meat. We have eaten meat for millions of years.

When I questioned the young woman about her reasons for wanting to put so many farmers out of business, she explained that meat and dairy farming was a major cause of carbon and greenhouse gas emissions and for environmental reasons it should be banned. However, this argument ignores the fact that the carbon footprint (food miles) of transporting vegan staples like rice and quinoa to the UK, are far from unproblematic in climate terms. In fact, the climate footprint of rice is comparable to that of international aviation.

Locally sourced food, be it meat or vegetables, has the benefit of almost no food miles. Locally sourced meat has a lower carbon footprint than rice imported from overseas. Suffolk's meat and dairy herds turn something we cannot eat – grass, into something we can – meat and dairy. They help to recycle fertility and make use of land that cannot easily grow crops.

The label often given to red meat as being an unhealthy food has become a dietary dogma, but research reveals a more complex picture. The association between red meat and negative health outcomes has been more commonly observed in studies where people are eating a highly processed diet, while studies of healthy omnivores eating a diet rich in plant foods have failed to find consistent evidence that red meat is unhealthy. The contribution of red meat to our diet is further complicated by the fact that not all meat is produced equally. Different farming systems, which provide animals with very different lives produce meat and dairy of varying quality. In that respect, we should be happy to eat and consume meat and dairy produced by our Suffolk farmers as part of a healthy and balanced diet which contains vegetables.

As an NHS doctor, I have reservations about imposing strict vegan diets, particularly upon infants due to risks of malnutrition. Vitamin B12 is most often obtained from animal foods and higher rates of deficiency have been found in vegans compared with other vegetarians and meat eaters. Maintaining adequate intake of B12 which helps make red blood cells and keep the nervous system healthy is a common challenge for vegans as it is not found in plant based foods. Many other essential vitamins and minerals including vitamins B2, niacin, vitamin D, iodine, zinc, potassium and selenium are also typically lower for vegans.

I will always support people making an informed choice about what they choose to put into their own bodies. Veganism is fine by me. But those who want to ban meat and dairy and put hundreds of farmers and food businesses in Suffolk out of business should think again.

DALLINGHOO NOTES

We started the month with a service of Holy Communion which was taken by Rev. Wendy Gourlay. Wendy talked about Mary, who not long before His death, anointed Jesus with a very expensive perfume made from nard. Wendy encouraged us to think about how the different senses were used in this act of love: the smell of the perfume, the sensation of touch as Mary wiped the ointment over his feet with her hair. We learnt a new hymn, which was taught to us by Wendy and Annabel before the service, and sung really well during the service.

The benefice service on Palm Sunday was at Letheringham church. We met outside the churchyard where we were given palm crosses. We then walked into church, singing as we went. Rev. Kathleen Martin preached about Jesus's entry into Jerusalem. Roger Pulham played the very lovely organ. It is one of 34 that he has built, in the UK and as far away as Australia and Philadelphia.

The Easter Day service was taken by Mary Vellacott. Mary helped us think about how Jesus's death and resurrection at Easter can reshape the whole of our lives.

Services for May in Dallingham:

May 8th – Holy Communion – 6.30 p.m.

May 15 – Family Service – 10 a.m.

May 29th – Morning Prayer – 10 a.m.

ALL WELCOME – we are a very friendly congregation!
