MID LOES BENEFICE Ashfield-cum-Thorpe, Charsfield with Debach, Cretingham, Dallinghoo, Earl Soham, Hoo, Letheringham and Monewden

June 2024

From The Rectory...

I am delighted to confirm that this year's Vicar's Tea Party will be taking place on Saturday 6th July, with this year's charities being the benefice churches, along with East Anglian Air Ambulance (EAAA). Whilst I have not had any personal experience with the team from EAAA, I am fully aware of the incredible service they provide to the rural areas of Norfolk and Suffolk.

A team from EAAA will be present at the Tea Party and will be available to discuss their work in detail, and will be running their own fund-raising activities, as well as providing plenty of give-aways to visitors to their stand.

I hope that we can build on the success of last year's Vicar's Tea Party, with this year's event seeing some new activities, including a Digger Challenge (yes, there will be a digger in the Rectory garden!), along with 'Rogues Gallery'... not to be missed!

I look forward to welcoming you again on the 6th July, and if you weren't able to attend last year, or are new to the area, you will be warmly welcomed by myself, along with the many volunteers from across the benefice.

Love and Blessings, Revd Gary

HOO HALL OPEN GARDEN - 9 JUNE 2024

A final reminder, before the actual day, that the garden at Hoo Hall will be open in aid of the church on Sunday 9 June, see the flyer elsewhere in this magazine for full details. At our APCM on 13 May, Mark, the Hall gardener and PCC member, confirmed he is hard at work, despite the vagaries of the weather this spring, and we all know from past experience that the garden will be looking at its very best on 9 June.

If you have visited the Open Garden in previous years and so know what to expect, and haven't already told friends and family about it, please do so, as we are always pleased to welcome new faces. As well as the garden, there will be a concert in the church in aid of the Hoo Church Building Trust and plenty of refreshments.

ANNUAL PAROCHIAL CHURCH MEETING (APCM)

This was held in the church on the afternoon of 13 May 2024, and was a time to reflect on the life and work of Hoo church during the 2023 calendar year. As far as official business is concerned, the outgoing PCC of Trevor Branton (Secretary), Gay Lister, Peter and Liz Bridle, Mark Saunders and me as Treasurer, were re-elected to serve for another year. We would welcome some new members of the PCC, particularly from within Hoo itself. We feel we are a thriving and active church, but new ideas are always welcome. It is clear from the comments in the visitors' book that there are an awful lot of people who find Hoo church special, both because of the "Akenfield" connection and its peaceful rural location. If you are interested in helping this lovely little country church to continue to thrive, why not think about joining us, any of the current PCC members will be happy to provide more details.

Finally, on behalf of the PCC, I would like to record our thanks to our Rector, the Rev. Gary Best, for his work and support of Hoo church, and the whole of the Mid Loes Benefice during 2023.

BENEFICE SERVICE IN MAY

The Benefice Communion Service held at St. Peter's Charsfield on 5th May was well attended with 47 people present. The service was led by Rev Gary and the Ministry Team. Our singing was led by the Benefice Choir with Roger playing the organ and it was lovely to see the choir stalls full.

We also gave thanks for the completion of the new flagpole project with the flag and flagpole now making the church visible throughout most of the village.

A NOTE FROM ST PETER'S PCC

Thank you to everyone who supported our Coffee Morning at Hill Farm on Friday 17 May.

In just two hours, we raised £525.00 on what turned out to be a beautiful day. It was a most enjoyable occasion, sitting outside with delicious tea, coffee, cake/s and superb bargains of every description. It's been a very tough year for many in the village and it was a real joy to see people able to sit and relax even for a short while.

Thank you to all the stall holders, those who came and spent their money and to those who so generously gave donations.

CONGRATULATIONS

NEWS FROM CHARSFIELD C OF E PRIMARY SCHOOL

What a busy Spring Term we had! Here are just a few of the highlights from our wonderful school and the experiences that our pupils have had.

Pupils in reception and KS1 have been learning all about The Great Fire of London in their history lessons. As part of this we were very lucky to receive a visit from Framlingham fire service. The children painted and decorated cardboard boxes and stuck them together to look like the houses and bakery on Pudding Lane where the fire began. The firemen set these on fire for us to demonstrate how and why the

fire spread so quickly. The children had lots of fun watching the fire spread from house to house and particularly enjoyed using the fire hose to put it out.

Children in key stage 2 have been working on a project run by the English National Opera which tasked us with the challenge to finish their compositions 'Blue, Red, Yellow' with a colour of our choice. After some discussion, we decided on lime green. We began by creating a word bank. We came up with lots of ideas which we later referred to when writing our libretto. In groups we began to explore

and experiment with small musical sounds that we felt represented our colour world. We then learnt how to record these sounds using small lines and scribbles called a graphic score. In order to create the desired effect, we had to consider several musical elements such as dynamics (volume), the tempo (speed), the timbre (character) and the pitch. We then rehearsed and recorded our compositions. The children thoroughly enjoyed this project and were proud of their achievements.

We are very fortunate to have a Forest School area on site and pupils across the school get to take part in a series of forest school sessions in the Spring and Summer terms. Last term KS1 had a lot of fun, exploring and discovering many things about themselves and the world around them. They created nests for the 'eggs' they had made and played at being protective parent birds defending the nests from the staff. Other highlights include whittling magic wands and making potions from sweet smelling herbs and cooking marshmallows over the fire. One group devised an

ingenious rope system to help them climb trees. After half term, KS 2 pupils will take part in their forest school sessions.

Last term was a very busy term for sporting events, with us attending some new events. We started the term by taking a group of children to Debenham High School for Boccia. We were able to take 2 teams, who all played really well, with some children showing fantastic skills at this sport. After that, we took 3 teams to Hartismere for Orienteering. This event really tested their teamwork and directional skills. It was another good event and all the children had a fantastic time. Our next event was at Framlingham College for Netball. This year had the largest number of schools attending, and our team were up against some tall opponents, however, they played well and found ways to gain possession of the ball. This was an enjoyable event. Up next was Hockey at Harleston Magpies, this was our first time attending and again it was a very popular event. We took 2 teams and played 5 games each, with the teams improving with each game we saw some very good potential for future hockey stars. Although this was non-stop and very tiring by the end the children and adults were very pleased with their performance. Our final event of the term was the Swimming Gala at Framlingham College. The children were again, up against some excellent swimmers, but did us proud with their effort and attitude.

Over all the events attended we have taken all our Year 6, 5 and 4 children at least once, with a few Year 3 children coming too. All of whom volunteered to attend and have shown and gained invaluable skills in the process – we're so proud of them.

This is just a small fraction of what we do! If you are looking for schooling in the area and would like to find out more or arrange a visit, please contact the office office@ charsfieldprimary.org.uk or call 01473737347. Website: www.charsfieldprimary.org. uk We are also on Facebook and Instagram. We are a friendly, nurturing school that "feels like a family in its own right" (Ofsted 2023).

ST MARY'S DALLINGHOO - DEATH-WATCH BEETLE

During the course of our recent repair programme, it became clear that, while all the major timbers are still structurally sound, St Mary's has a death-watch beetle problem. These go deep into the timber where insecticides cannot reach them. It is anyway better not to use insecticides which kill all they reach, not just the target species. Robin Tye, who coordinated the programme, learnt that these beetles prefer slightly damp timber so we resolved to get the church as dry as possible. To this end, we made a window on the south side openable (but bird proof) so that air would flow through and help dry the building.

Woodwork dampness readings show a modest but continued trend for the woodwork to dry and have been:

FORTHCOMING SERVICES AND EVENTS:

Wednesday 19th June 6.30pm - Taize style worship

THE PRIORY CHURCH, ST. MARY'S LETHERINGHAM

All are welcome to experience a reflective service in the style of Taize Worship, with scripture, prayer, silence, singing, Taize chants. The chants, words from scripture and psalms, are short simple tunes repeated over and over. In all the service will last about fifty minutes.

The name Taize comes from a tiny French village, hidden away in the hills of Burgundy. It was here, in 1940 that Brother Roger, aged 25, formed an ecumenical community whose prayer, three times each day, was the centre to their life.

Today, Taize is a place to which visitors of all ages and backgrounds go on pilgrimage, to participate in international meetings of prayer and reflection.

ANNUAL MEETINGS

By the time that you are reading this the Annual Meetings of both the Parish Council and Ashfield Church will have taken place. Issues of significance will be broadcast on the village email as appropriate.

I should however like to take this opportunity to publicly thank everyone who serves on committees or does voluntary acts in the village and beyond these are appreciated by all.

Thank you!

Robert Grimsey

Food Donations across the Benefice

The benefice churches are delighted to be supporting FIND (Families in Need) a local charity based in Ipswich supporting people across the local villages and towns.

For over 30 years, Families in Need (FIND) Ipswich, has offered a lifeline to people in Ipswich and the surrounding areas who are experiencing poverty and despair.

FIND provides free food parcels and personal care items to help people get through a crisis, as well as furniture, bedding and other household items where the person or family has none.

An army of over 80 volunteers regularly give their time freely to check and sort the donated food, collect items from local stores, make up the food parcels and deliver them.

It's a six-day a week operation.

The demand for food parcels has risen year on year and FIND now distributes an average of 120-150 parcels every week and even more at Christmas - more than 7,000 every year.

Going Forward

Each church within the benefice has now become a donation point where there are boxes in the church porches in which donations can be left. The donations will then be collected on a regular basis and taken to the offices of FIND. Currently, the food requirements are as follows:

> Long grain rice - Long-life whole milk Toiletries for men, women and children Tinned vegetables, meat, fruit/desserts Coffee - Sugar - Jam - Soup Pet food (dog, cat, fish, rabbit/guinea pig)

If you are able to donate, thank you.
